Sanford Supports Community Environmental Efforts

In recognition of Arbor Day, on Saturday, May 2, Elizabeth Harkey, the City's Urban Forester, will be holding a tree give-away at the Public History Center's [MAYFEST 2015 "Hello Spring" Event](#) between 10am-2pm located at 301 W. 7th Street in Sanford. Approximately 100-125 one-gallon trees will be given away on a first come, first serve basis, one per customer.

A portion of the trees were purchased by the City through a generous donation made by Trademark Metals Recycling LLC, a local Sanford business and the Florida Forest Service.

Thank you!
