Dinner Cruises return to Sanford's Majestic Lake Monroe

The St. Johns Rivership Company is bringing a bona fide stern paddle wheel boat back to the waters of the Saint Johns River and Lake Monroe. The boat was acquired in Clearwater, Florida and is currently on route to Sanford.

Company representatives have indicated they anticipate formal cruise service by late October or early November.

St. Johns Rivership Company, LLC has secured a lease with Monroe Harbour Marina for dockage and slip formerly held by Rivership Romance.

The company has created a Facebook page chronicling the journey to Sanford, <http://www.facebook.com/DinnerCruise#!/DinnerCruise> and can be reached at 321-441-3030.
