City of Sanford's Utility Department to Participate in 2nd Annual Florida Water Festival Saturday, November 3

The **Florida Water Environment Association (FWEA)** is hosting the second annual Florida Water Festival to be held **November 3, 2012, at Cranes Roost Park at Uptown Altamonte (274 Cranes Roost Blvd., Altamonte Springs, FL 32701) from 9 am to 2 pm.** Designed to educate the public about the importance of protecting our water resources, this family friendly event offers to be informational and fun.

Sanford Utility Department's exhibit will feature a technology display to include: Automatic Meter Reading (AMR), Pipe Bursting, Sewer Lining, a Water Quality Pilot Study, and information on Cityworks Work Order Management. Brochures and pencils will be available.

There is no cost to attend. Enjoy music, interactive demonstrations on water quality sampling and testing and learn how water reclamation systems work. Children will enjoy the Poster Contest, water animal face painting, and a water filtration test. Raffle prizes will be given throughout the day.
