Upcoming Street Closure Information

Ed Waters & Sons, the contractor for the RiverWalk Phase II project, is planning a Street closure to start Monday, September 16, 2013 ending approximately October 15 2013.

The construction is currently on Seminole Blvd. where Seminole Blvd. merges into U.S. 17-92. The Street closure will be located where Seminole Blvd. and U.S. 17-92 merge.

Detours will be clearly marked to re-route around the construction.

Any questions please contact Robert Beall, Project Manager at Robert.Beall@sanfordfl.gov.
