Greetings from the City Manager

The City of Sanford has experienced a year of steady growth, expansion and increased productivity across all Departments.

Through the coordinated efforts of dedicated staff, City services and programs have remained constant for our residents and visitors.

Attached are the many accomplishments that were achieved during FY 2014.

This year marked an era of change for the City Clerk’s Office with the promotion/appointment of a new City Clerk, Cynthia Porter, as well as a new Deputy City Clerk, Traci Houchin. Not only were improvements made to the office areas, but many “customer friendly” changes were implemented to help serve our citizens.

- Public Records Requests processed: 125
- Records Destroyed: (cubic feet): 501
- Documents scanned into Laserfiche: 12,414 (new) & 6910 (old)
- Meetings/Agendas: 65
- Minutes produced: 23
- Notices for meetings other than Commission Meetings: 44
- Ordinances: 26
  - Annexation – 7
  - Rezone – 5
  - Vacate – 2
  - Small Scale Comprehensive Plan Amendment – 2
  - City Code – 10
- Resolutions: 40

- The Sanford Task Force on Homelessness continues to meet and assess the gaps in services to the homeless population in Sanford.

- Active participant in the Seminole County Community Conversation on Homelessness.

- Active participant with the Central Florida Commission on Homelessness.

- **Continuing** to serve on the Board of Homeless Services Network.

- **Provided** a $70,000 grant to the Rescue Outreach Mission to assist with their $700,000 expansion to their facility.
Community Improvement Department
Darrel Presley, Director

- **Investigated** 1,716 code complaints by Code Enforcement Officers

- **Completed** the condemnation and demolition of 10 dilapidated structures by leveraging CDBG funding with the Department’s operating budget

- **Collected** $37,742 in outstanding liens through the Lien Amnesty Program and allowed 17 properties to be brought into compliance

- **Completed** the transfer of 978 vacant property registrations to the online database at VacantProperties.com

- **Administered** $794,900 in supplemental energy assistance to 2,158 low income families in Seminole County through the Low Income Home Energy Assistance Program (LIHEAP)
• **New Jobs Created This Year**
  - Over 500 new manufacturing jobs created with an average salary over $35,000
  - Over 300 new jobs created in the hospitality sector – average salary starting at $15/hour, Hotels, apartments, restaurants
  - **Created** over 300 building construction jobs due to industrial and residential development

• **Partnered** with Seminole County to incentivize the expansion of True Choice Telecom, providing business communication services to local business and industry, creating over 40 new jobs within 4 years with an average salary of $37,600 and with a capital investment of over $481,500

• **Partnered** with Seminole County to incentivize the expansion of the corporate headquarters of Hernon Manufacturing, creating an additional 20 jobs over the next 36 months with an average salary of $41,278 and with a capital investment of over $2,000,000

• **Coordinated** with the City’s Communication Officer to implement a positive promotion and advertising initiative for the City in local and regional media, including video, radio, newsprint and magazines

• **Incentivized** through the Sanford CRA the completion of the Sanford Avenue Streetscape, the rehabilitation of an office building on Sanford Avenue and a façade grant of a business on First Street

• **Provided** shuttle service from the SunRail station to downtown Sanford in a newly wrapped van during lunch hours and for the Alive After Five event

• **Participated** with the Sanford Chamber of Commerce in initiating a Downtown Merchants Council and expanding the Economic Development Committee to host an annual Industry Appreciation Dinner

• **Facilitated** 12 public meetings for the Sanford CRA

• **Represented** the City and participated in the Seminole County 17/92 CRA Committee

• **Initiated** the planning and design of the city-owned property in the downtown business district for future development
Finance Department
Cynthia Lindsay, Director

- **Completed** the 2015 Budget process – a $92 million budget

- **Completed** the 2013 Comprehensive Annual Financial Report (CAFR) and received a clean audit opinion.

- **Completed** 23 RFPs, RFQs, IFBs, and/or bids.

- **Saved** $263,299 in taxes by purchasing material directly vs. the contractor purchasing it under their contract (Owner Direct Purchases (ODPs))

- **Contracted** with a debt collection agency and started the process of turning over all of our outstanding debt

IT Division

- **Network Redesign** – Completed a redesign of the City’s Network Infrastructure in order to provide a stable and reliable method of communications for all phone and data services

- **Additional Internet** – Implemented a second internet connection at the PSC for disaster recovery, redundancy, and daily use

- **Phone System Upgrade** – Completed an upgrade and replacement of the City’s phone system in order to implement 5 years’ worth of updates, new features, and stability fixes for the system. This included primary and backup phone systems split between City Hall and the PSC for redundancy

- **Cell Phone Upgrade** – Migrated all City Cell phone service to another carrier thereby providing improved service, additional features, and substantial cost savings to the City

- **GIS Services** – Built a GIS presence on the internet which will allow the city to provide GIS related services and information to the Citizens

- **Training Programs** – Continue to offer and expand on training for Computer Software such as: Windows 7, Windows 8, Office 2010, and Office 2013, and hardware such as Smartphones to employees in order to improve their capabilities with these systems
**Finance Department**  
**IT Division Continued:**

- **PC and Software Refresh** – Nearly completed a 3 year City Wide refresh of computers and software to provide new tools to employees such as Windows 7, Windows 8, Office 2010, and Office 2013

- **Copier Technology Refresh** – Completed the replacement of Copiers City wide in order to provide additional functionality to employees such as: Scan directly to drives, E-Fax Receipt, E-Fax Delivery, Secure Print, scan to Word, scan to Excel, and the ability to receive prints at any copier city-wide

- **Sanford Police Department Laptop Upgrade** – Completed a department wide refresh to Police Department laptops in order to upgrade or provide new functionality for the following software: Iyetek Crash Reporting Software, Virtual Partner Software, GPS Vehicle tracking and locating software to integrate with AVL (now known as Sherlock) for Business Intelligence, Taser Body Camera software Upgrades for laptop sync, Cafe Web Software, and more

- **Call Tree Redesign** – Completed a redesign of the City’s Automated Call Recording System in order to provide more accurate routing of calls from Citizens in order to enable departments to spend less time routing calls and more time servicing citizens requests.
• **Reviewed** the Emergency Operations Center with the City Emergency Management Team at the Public Safety Complex, and completed the lines of succession for the Continuity of Operations Plan (COOP) for each Department and Division. Trained staff members in Logistics Section Chief and Emergency Management Institute courses.

• **Submitted** FEMA Grant Program application for providing training for all firefighters. If approved, the grant will enable the Department to provide approximately $200,000 worth of training. Also, submitted a Safety and Fire Prevention grant for portable extinguisher training prop to demonstrate the proper use of extinguishers to the public.

• **Changed** the building permit requirements to include State of Florida code specific requirements for easier permitting for both the contractors and homeowners, and changed the permit inspection cards to a color–coded system so inspectors and citizens can identify work being done.

• **Created** a streamlined approach to handling dilapidated and unsafe structures by partnering with the Community Improvement Department.

• **Remodeled** the Building and Fire Prevention Division customer service counter to promote an approachable and customer friendly area.

• **Purchased** replacement electrocardiogram (ECG) monitors for each rescue apparatus giving paramedics the latest technology in cardiac care. An additional ECG monitor was purchased for the engine at the Public Safety Complex improving our level of service to the busiest district in the County.

• **Purchased and upgraded** specialty dive equipment for our trained Fire Department employees which will protect our employees from contaminants in the bodies of water in our community and will provide them a communication system for underwater operations.

• **Commenced** training of all City employees in ICS 100 & 700 level courses to assist the City with receiving FEMA reimbursable expenses if a federally declared emergency exists.

• **Completed** all (approximately 2,300) annual fire inspections on commercial buildings.

• **Replaced** all extrication equipment on all our engines and tower apparatus giving our firefighters the latest technology to extricate patients from auto accidents and other entrapment incidents.

• **Implemented** inventory and tracking program known as Operative IQ to assist with medical supply ordering and accountability.

• **Implemented** the National Testing Network recruit tool to bring in quality employees. This nationally recognized human resource program scores applicant based on behavior and fire service based scenarios to bring in top quality employees.

• **Trained and certified** nine firefighters in CPR Instructor and purchased new adult and pediatric mannequins to allowing us to re-deliver CPR training to our community to show quality of chest compressions and ventilations.
Human Resources and Risk Management  
Fred Fosson, Director

- **Deployed** 73 body cameras which are worn by all Patrol, Traffic, and Neighborhood Response Unit Officers. Cameras are currently being purchased for all School Resource Officers.
- **Increased** social media presence with the utilization of Facebook, Twitter, YouTube and short video posted online called, “60 Seconds with Chief Smith” which cover local events and safety.
- **Implemented** a web based Customer Satisfaction Survey.
- **Increased** number of tips received through Crimeline; stronger relationship with Crimeline.
- **Implemented** a “Back to Basics” patrol program focusing on fundamental tasks including uniform appearance, radio procedures, weapon and equipment maintenance.
- **Increased** citizen contacts through the use of bicycle patrol, foot patrol and golf carts.
- **Procured** a “state of the art” Watch Commander vehicle.
- **Purchased** two new police K-9s.
- **Total Calls for Service** were 137,914.
Public Works Department  
Bilal Iftikhar, Director

**CAPITAL IMPROVEMENT PROJECTS (CIP)**

- **RiverWalk Phase II** – $4.2 million Florida Department of Transportation (FDOT) Safety Enhancement Funds, $2 million Seminole County’s cost share of 2nd Generation Funds. Currently under construction – finishing late October early November.

- **Persimmon Avenue Local Agency Program (LAP) Sidewalk Project** – $80,000 LAP Funds for Design, $400,000 LAP funds for construction. Project started September 2, 2014.

- **Persimmon Avenue Widening Project** – $480,000 FDOT Strategic Intermodal System (SIS) Funds. Project is starting in November 2014.

- **Historic Goldsboro Blvd Streetscape Project** – $353,545 for design paid for the 2nd Gen Sales Tax Funds, 3 million earmarked for construction from 3rd Gen Sales Tax fund. Construction late 2015.

- **Coastline Park Trailhead** – $75,000 from Recreational Trails Program grant, $200,000 from Land and Water Conservation Fund grant, $400,000 Recreation Impact Fees. Construction starting early 2015.

- **KaBoom Project at McKibbin Park** – Playground and shade structure donated through Walt Disney Corporation, construction starts October 2014 and installation through community volunteerism.

- **Sanford Avenue Streetscape** – $1.2 million funded through Sanford Downtown CRA. Completion late September 2014.

- **Cloud Branch Phase III** – $688,830 in design and estimated $10 million in construction. Construction late 2015.

- **Inspected:**
  - 37 Driveway
  - 9 Demolition
  - 961 Locates
  - 7.4 Miles of road resurfacing
  - 13,239 Lineal feet of new sidewalk installed
  - 1,100 Lineal feet of sidewalk repair
  - 91 Handicap ramps replaced/installed
  - 6 Traffic calming devises installed
Public Works Department Continued:

**MAJOR COMPLETED PROJECTS FOR STORMWATER (2014)**

- Loren Court – **Installed** 100 ft. of 12” Stormwater pipe and 3 inlets to alleviate localized flooding in the area.

- Senior Center – 3 inlets **installed**, 150’ of pipe installed to alleviate localized flooding in the area.

- Peach Street – **Installed** 500’ of pipe, and construct 7 new inlets to alleviate flooding / standing water in area.

- 3880 St Johns Parkway – **Installed** 100’ of pipe and 2 new inlets to alleviate flooding in area.

- 26th Street & Palmetto Avenue – **Installed** 200’ of pipe, **constructed** 2 new inlets, 400’ F Curb, and (1) manhole, to improve flooding issues in the area.

- Country Club Circle & Oleander Avenue – **Installed** 150’ of pipe and 2 inlets to alleviate standing water in area.

- Kaywood – **Installed** 450’ of pipe and 7 new inlets to improve drainage in area.

**ALLEY REHAB PROJECT**

- In October 2013 the Public Works (Streets Division) **started** its alley rehabilitation project. This was a 6 year project with over 300 city block segments.

- We set our goal at 50 alleys per year but this year we **exceeded** our goal and completed 52.

- We first started with a citywide alley survey and ranked each alley good, fair, poor and started with the poor condition alleyways first.

- The rehab consists of cutting back vegetation, taking out 6” of old base material and replacing it with 6” of asphalt millings.

- **Added or replaced** concrete alley aprons where they were needed.

- **Added** a binder application of (Cyclogen) to each alleyway to seal the millings in an effort to provide durability and a smooth ride.
Recreation Department
Mike Kirby, Director

• **Generated** over $14,000,000 in Economic Impact in Sanford this past year.

• **Utilized** 22,880 volunteer hours or the equivalent of more than 11 full time employees. Volunteers represent a savings of $200,000 to the City.

• **Hosted** a variety of special events for all ages. Over 200 events, including 34 first time events, were coordinated this past year.

• **Partnered** with the Dr. Martin Luther King, Jr. Advisory Committee and the Seminole County Area Veterans Advisory Committee to coordinate and promote Dr. Martin Luther King, Jr. Day, Veteran’s Day and Memorial Day events.

• **Hosted** the Korean National Collegiate Baseball team in August at the Sanford Memorial Stadium.

• **Hosted** the Annual Golden Age Games for seniors with events in Archery, Basketball, Golf, Swimming, and Track and Field. The Golden Age Games is the “Oldest Senior Games” in the country.

• **Provided swimming lessons** to nearly 600 children under the age of 12 at the Dale Aquatic Center with 175 children enrolled in the year round USA swim team. A combined total of 2,700 youth and adults participating in city athletic program and events.

• **Held** the City’s 2\textsuperscript{nd} Annual Super Kids Soap Box Derby race. This race allows special needs children to enjoy the thrill of downhill Soap Box Derby racing and also race in Akron at the world championships.

• **Partnered** with Seminole County Families in Transition (F.I.T) in order to provide scholarships for children to attend the City of Sanford Summer Camp program.

• **Celebrated** Florida Collegiate Summer League (Sanford River Rats) 11\textsuperscript{th} Anniversary in June.

• **Coordinated** over 200 events at the Sanford Civic Center.
Utility Department
Paul Moore, Director

Plants Division

- **Replaced** one of the 10,000 gallon sodium hypochlorite tanks at the North Water Reclamation Facility. Cost of the work was $22,841.

- **Rehabilitated** Well #1 at the Oregon Ave Well Field. Cost of the work was $114,450.

- **Relined** the wet well at the 5th and Bevier Lift Station. Cost of the work was $99,800.

- Bankruptcy of MaxWest Environmental Systems, Inc. – For approximately five years, MaxWest handled the City’s biosolids side of the treatment plants. With their bankruptcy, City staff has had to be involved with ultimate disposal to an outside treatment facility. This will result in higher operating cost to the City.

- **Extended** Water and Sewer Line – 8th Street (Old Scotty’s Building). Seminole County 17-92 CRA Funded at a cost of $295,000.

- **Started** the drainage culvert replacement project at Site 10 Phase I at a cost of $111,849.

- **Replaced** Well #7 and Well at Hidden Lake Wellfield at a total cost of $833,000.

- **Sanford-Volusia Reclaimed Water Interconnect Project** - $994,739.00 to construct the interconnect of the reclaimed water distribution system for the City of Sanford and Volusia County which will allow up to 1.5 Million Gallons Per Day to flow to Volusia County. The multi-jurisdictional project was partially funded through a St. John River Water Management District Cost Share.

- **Leak Detection** – Following a three year Water Loss Study with University of Florida and Jones Edmunds, the Utility Department helped to conduct Leak Detection and Training along 28.5 miles of targeted water distribution lines.

- **Utility Customer Service** – Utility Customer Service opened lobby service from 8 AM to 1 PM on Fridays with the Utility Customer Service Call Center continuing to 5 PM on Fridays.
Utility Department Continued:

WATER CONSERVATION

- Circle K – Private L.S. to Sanitary Force Main
- Wendy’s
- All Pro Freight

**AUXILIARY PLANT #2 – WATER QUALITY IMPROVEMENTS**
- Total construction cost was $7.8M.
- Plant went online July 2014.
- New water quality allowed the City to meet more stringent Environmental Protection Agency water quality parameters known as Tri Halo Methanes (THM, disinfectant by-products).
- THM is the result of natural organic matter in the water combined with chlorine. This new upgraded treatment facility uses oxygen (ozone) as a disinfectant and granular activated carbon for filtration.
- State Revolving Fund/Grant funding used for this project.
- Treatment facility went online together with a 48-hour consecutive flushing to avoid customer complaints with possible discolored water. We had “0” complaints!!!!
Utility Department Continued:

**WATER AND SEWER DIVISION ACCOMPLISHMENTS**

- 25 Sewer point repairs
