

Jazzed in Sanford Concert Series
Saturday, February 6th
Michelle Mailhot

4-7 PM

Michelle Mailhot is not only a member of the world renowned acapella group "Toxic Audio", but she is a brilliant virtuoso jazz performer as well. Her beautiful soprano voice soars over the top of any band and her scat ability is second to none. She's the "Scat Queen" who can sing "be-bops" and "do-be-do's" faster than a speeding bullet and a world-class performer through and through.

Michelle just released her first cd entitled "Happy Madness" and holds a Bachelor of Music-Jazz Studies from Western Michigan University
