**CERTIFICATION STATEMENT**

I, as an authorized facility representative, certify that the information provided for the “Food Services Wastewater Discharge Application,” to the best of my knowledge, is accurate and complete. I understand that this application will be reviewed by City of Sanford Utility Department staff, and that if this facility falls within the guidelines of the Oil and Grease Prevention Program, the facility will be required to participate in the program and obtain a wastewater discharge permit. I further understand that I must submit a \$50 nonrefundable fee along with this application and that if I am required to participate in the program, an additional \$200 nonrefundable permit fee must be submitted. Additionally, I understand that if I am required to obtain a wastewater discharge permit that it must be renewed every two years and a nonrefundable permit renewal fee of \$150 must be submitted. I further understand that a nonrefundable fee of \$50 will either be applied directly to my Utility account or must be submitted to the Utility Department (if there is no existing Utility account) for the annual inspection which is performed the year between my permit renewals. I further understand that any required sampling that occurs at my facility will also incur additional fees. As a required participant of the Oil and Grease Prevention Program, I agree to abide by all program rules established in the City of Sanford Code, Chapter 102, Article IX, Division 5, Section 102-373. I further understand that falsification of this information is a violation of the City of Sanford Code and, as such, is subject to enforcement actions and penalties as set forth in the City of Sanford Code.
