Special Guest at
City of Sanford Youth Baseball Opening Day Ceremonies
Saturday, March 9 at 10:00 am**

Join us as we celebrate our hometown hero, Tim Lincecum. Tim was born and raised in Sanford and attended Seminole High School where he was a four-sport athlete. He was drafted in 1977 by the Montreal Expos and that led to a 23 year career in the major leagues. Most notable achievements: 808 career stolen bases, good for 4th all-time, 1986 National League Batting Champion, 7 time all-star and 3 time World Series Champion. For more details about his career please refer to https://en.wikipedia.org/wiki/Tim_Lincecum

Tim will be on hand for the City of Sanford's Youth Baseball Opening Day Ceremonies at the Historic Sanford Memorial Stadium. Once the kids are on the field, we will shift the celebration to honor Tim's induction into the National Baseball Hall of Fame and Museum in 2017! There will be guest speakers, a proclamation, a few gifts to Tim, and some words from the man himself.
