

Resolution No. 2791

A Resolution of the City of Sanford, Florida, amending the City's annual operating budget for the fiscal year beginning October 1, 2018 and ending September 30, 2019; providing for powers of the City Manager and general implementing administrative actions; providing for a savings provision; providing for conflicts; providing for severability and providing for an effective date.

Whereas, the Commission of the City of Sanford, Florida has adopted an annual operating budget for the fiscal year beginning October 1, 2018 and terminating on September 30, 2019 specifying certain projected revenues and expenditures for the operations of Sanford municipal government; and

Whereas, the City's budget presumes that each department generally will, to the best of their ability, maintain its expenditures within its allocated budgeted level and exercise prudence in expending funds during the course of the City's fiscal year; and

Whereas, from time-to-time circumstances and events may require that the original City budget may need revision; and

Whereas, the City Commission, in its judgment and discretion, has the authority to adjust the budget to more closely coincide with actual and expected events.

Now, therefore, be it adopted and resolved by the City Commission of the City of Sanford, Florida as follows:

The attachment reflects contingencies relative to the potential donation of funds relative to the project relating to the multi-purpose fields located at the Mellonville Community Center. This Resolution is intended to grant the City Manager with the broadest authority to utilize the funds dedicated to that project in order to implement the project in the most seamless and effective manner.
