SYNOPSIS:

FISCAL/STAFFING STATEMENT:

The grant was approved on June 25, 2018 for this project and due to updated regulations the need for additional recommendations were made by the State to complete the project. The grant provides for 75% federal funding and City match of 25% to wind retrofit Fire Station 32 located at 300 East Airport Boulevard, and Fire Station 38 located at 1300 Central Park Drive. The total cost for recommended changes to Fire Station 32 would be \$12,883 (federal share of \$9,662.25 and City share \$3,220.75) which would be reimbursed at job completion. The total cost for recommended changes to Fire Station 38 would be \$74,269 (federal share of \$55,701.75 and City share of \$18,567.25) which would be reimbursed at job completion.
