

Application for Right-of-Way Utilization Permit

300 North Park Avenue, Sanford, Florida 32771
Phone: 407.688.5140 **Fax:** 407.688.5141

This permit authorizes work done in the City of Sanford's right-of-way in accordance with the City's regulations and the attached construction plans approved as part of this permit. It does not approve any work within any other jurisdiction's right-of-way. All requested information below as well as a current survey, site plan or plat clearly identifying the size and location of the existing right-of-way and use shall be provided or application could be delayed.

Notice: It is understood and agreed that the rights and privileges herein set out are granted only to the extent of the City of Sanford's jurisdiction, and the right, title, or interest in the land to be entered and used by the permittee. The permittee shall at all times assure all risks and indemnify, defend, save harmless the City of Sanford and the Sanford Airport Authority from and against all loss, cost, damage, or expense, arising in any manner, on account of the permit request by said permittee of the aforesaid rights and privileges. In the event that any future construction of roadways, utilities, stormwater facilities, or any general maintenance activities by the City becomes in conflict with the above permitted activity, the permittee shall remove, relocate and/or repair as necessary at no cost to the City of Sanford, insofar as such facilities are in the public right-of-way. The applicant must notify the City 48 hours prior to construction and again when construction is completed via the following email address: michael.cash@sanfordfl.gov

I have read and understand the above statement and by signing this application I agree to its terms.
